

A New British Order:

14 Points for National Renewal

The New British Order will free the creative British people of all classes from the bonds of usury and globalism. We will secure the existence of our people and a future for British children. We will unite them as part of an organic, ethnic Nation that exists for their continuance and flourishing.

1. Britain is for the British People

The New British Order will root British identity in ancestry, heritage, and connection to the land.

- We will ensure only those of British descent hold British Citizenship.
 - We will impose stricter laws, reduced rights, and higher taxation on non-citizens.
 - We will require all non-citizens to leave the country in an orderly manner or be deported.
 - We will launch a full public inquiry into mass immigration and punish those responsible severely.
 - We will repeal any laws, treaties, or agreements that obstruct our goals.
-

2. Parliament Will Serve the British People

The New British Order will sweep away corruption, foreign influence, and incompetence.

- We will establish a codified constitution and ensure Parliament embodies the will of the British people across all classes.
 - We will repeal harmful anti-British laws and remove foreign influence.
 - We will reconstitute the House of Commons as a council of guilds, with guild representation for employers, employees, and vocations.
 - We will reform the House of Lords as a second chamber representing aspects of national life beyond economics.
-

3. Break the International Money Power

The New British Order will ensure money serves the Nation.

- We will break the private banking monopoly on money issuance.
 - We will restore national monetary sovereignty through a National Credit Office.
 - We will issue money directly for large-scale industrial production, public works, and major enterprises.
 - We will allow regulated, non-usury local co-operatives for retail and small-business banking.
-

4. Money Serves the British People

The New British Order will see that the British people share in the national wealth.

- We will establish the right to productive work.
 - We will use National Credit to secure high wages, reduced working hours, and freedom from usury.
 - We will ensure cheap essentials and fair prices on goods through retail discounts.
 - We will provide a National Dividend for universal support.
 - We will free the common man and families from income tax.
-

5. Support British Industry

The New British Order will reclaim control of Britain's economy to serve the British people.

- We will reject the globalist system of neoliberalism.
 - We will nationalise key industries.
 - We will use National Credit to revitalise our productive base.
 - We will ensure Parliament provides strong infrastructure for domestic industry.
-

6. Support British Businesses

The New British Order will defend British businesses from multinational corporations.

- We will affirm the right of every British citizen to start or own a business.
 - We will heavily tax foreign and multinational companies.
 - We will reduce the tax burden on British companies, exempting family businesses entirely.
 - We will impose heavy sanctions, fines, and eventual bans on businesses that outsource manufacturing or labour abroad.
-

7. National Energy Independence

The New British Order will nationalise energy production.

- We will harness our own coal, oil, gas, and nuclear power.
 - We will deliver cheap energy through nationalised production.
 - We will invest in modern nuclear power technology.
 - We will institute a bold training programme for high-skilled energy sector roles.
-

8. Free Healthcare for the British People

The New British Order will secure free, swift, high-quality healthcare for the British people.

- We will nationalise medicine and modernise the NHS.
 - We will expand domestic training for doctors and nurses.
 - We will prioritise national health and fitness.
 - We will stop foreigners exploiting our health system.
-

9. Support Traditional Family Life

The New British Order recognises traditional family units as the foundation of our Nation.

- We will declare British birth rates a national emergency.
 - We will establish a Home Guild to support motherhood.
 - We will ease financial burdens on families through retail discounts and a National Dividend.
 - We will provide relief on housing loans and essentials for every new child.
 - We will protect children from subversive influences.
-

10. Empower Our British Youth

The New British Order believes our future belongs to our youth.

- We will expand grammar schools, apprenticeships, and vocational training.
 - We will free young people from crippling debt.
 - We will create youth movements to promote fitness, fortitude, and skills.
 - We will instil our youth with a love of nature and the outdoors.
-

11. Defend the British Nation

The New British Order will defend the British Nation from foreign enemies.

- We will make *Britain First* the guiding principle of our Armed Forces.
 - We will disband the civilian Border Force.
 - We will place border security under the Armed Forces.
 - We will prohibit foreign military bases in Britain.
 - We will end foreign military entanglements that do not serve the Nation's interests.
-

12. Protect the British People

The New British Order will protect the British people from domestic threats.

- We will restore law, order, and justice.
 - We will reintroduce capital and corporal punishment.
 - We will restore the right to self-defence and the right to bear arms.
 - We will permit only British citizens to serve, with frontline policing for men only.
 - We will re-establish policing by consent.
 - We will create community deputies to rebuild trust between police and the people.
-

13. British Cultural Renewal

The New British Order embraces beauty and tradition in national culture.

- We will reject the ugliness of modern decay.
 - We will ban the promotion of degeneracy.
 - We will restore beauty, dignity, and pride to public life.
 - We will revive traditional architecture.
 - We will renew national holidays and cultural traditions.
-

14. Britain is Green

The New British Order will ensure Britain is a green, pleasant, and thriving land.

- We will make planning serve both people and nature.
- We will protect and expand green spaces.
- We will rewild our countryside.
- We will expand access to parks and open spaces.
- We will enlarge the National Parks network.
